## Veterans Memorial Day Flag Ceremony

Veterans Memorial Day Flag Ceremony  
Founders Park  
Saturday, May 23; 10 a.m.

Remember the men and women who have defended our freedoms this Memorial Day. Honor the heroes who have sacrificed in order to uphold the values of the United States of America. Join us as we pay tribute to our nation's heroes at Celebration's Veterans Memorial Ceremony.

This event is held in conjunction with the Celebration Veterans Group, Celebration Community Chorus, Boy Scout Troop 125, Cub Scout

During the ceremony, we're delighted to have the Celebration Community Chorus joining us for a performance recognizing our U.S. military members. ## 'Untangle: You Can't Save Others Until You Save Yourself'

New book shares transition from child abuse victim to victor.

In a new memoir, Shirlee Scribner shares her intense story of making the bold transition from child abuse victim to victor. "Untangle: You Can't Save Others Until You Save Yourself" is an inspirations book for Child Abuse Prevention Month documenting growing up in a dysfunctional family, saving her brother from deadly abuse and battling her own addictive demons. Through a story that is ultimately uplifting, Scribner is passionate about making a fierce contribution to child welfare across the United States.

"I didn't write the book for recognition, but to instead campaign for better treatment of persons with mental disabilities and also to give a voice to those children suffering in silence," says Scribner. "While we have achieved this with gusto, the book's reach and esteem has stretched far beyond anything Blake or I could have ever imagined."
